1st Precinct. Commencing on the center line of Rural street, at its intersection by the center line of Brinkman street, thence south along the center line of Rural street to the center line of Pendleton pike, thence southwest along the center line of Pendleton pike to the center line of Orange avenue, thence north along the center line of Orange avenue to the center line of Hill avenue, thence north along the center line of Hill avenue to the center line of Ninth street, thence west along the center line of Ninth street to the center line of Martindale avenue, thence north along the cen-ter line of Martindale avenue to the center line of Eleventh street, thence east along the center line of Eleventh street to the center

line of Harrison avenue, thence north along

the center line of Harrison avenue to the

center line of Brinkman street, thence east

along the center line of Brinkman street to

the center line of Rural street, the place of

beginning, shall constitute the first precinct. 2d Precinct.

Commencing on the center line of Harrison avenue at its intersection by the center line of Brinkman street, thence south along the center line of Harrison avenue to the center line of Eleventh street, being the first street immediately south of the Belt railroad tracks, thence west along the center line of said street to the center line of Greenwood avenue, thence north along the center line of Greenwood avenue to the center line of Bruce street, thence east along the center line of Bruce street to the line of the Lake Erie & Western railway tracks, thence north along the center line of said tracks to the center line of Brinkman street, thence east along the center line of Brinkman street to the center line of Harrison avenue, the place of beginning, shall constitute the second

3d Precinct.

Commencing on the center line of Martindale avenue at its insersection by the center line of Eleventh street, the same being the street on which the Belt railroad runs, thence south along the center line of Martindale avenue to the center line of Ninth street, thence west slong the center line of Ninth street to the center line of Greenwood avenue, thence north along the center line of Greenwood avenue to the center line of Eleventh street thence east along the center line of Eleventh street to the center line of Martindale avenue, the place of beginning, shall constitute the third precinct.

4th Precinct.

Commencing on the center line of Hill avenue at its intersection by the center line of Ninth street, thence south along the center line of Hill avenue to the center line of Pendleton pike, thence southwest along the center line of Pendleton pike to the center line of Beeler street, thence northwest and north along the center line of Beeler street and Martindale avenue to the center line of Ninth street thence east along the center line of Ninth street to the center line of Hill avenue, the place of beginning, shall constitute the fourth precinct.

5th Precinct.

Commencing on the center line of Martindale avenue at its intersection by the center line of Ninth street, thence south along the center line of Martindale avenue to the center line of Seventh street, thense west along the center line of Seventh street to the center line of Peru street, thence north along the center line of Peru street to the center line of Ninth street, thence east along the center line of Ninth street to the center line of Martindale avenue, the place of beginning, shall constitute the fifth precinct.

6th Precinct.

Commencing on the center line of Beeler street at its intersection by the center line of Seventh street, thence south along the center line of Beeler street to the center line of Hill avenue, thence southwest along the center line of Hill avenue to the center line of Columbia avenue, thence south along the center line of Columbia avenue to the center line of Malott avenue, thence southwest along the center line of Malott avenue to the center line of Yandes street, thence north along the center line of Yandes street to the center line of Seventh street, thence east slong the center line of Seventh street to the center line of Beeler street, the place of beginning, shall constitute the sixth precinct.

7th Precinct.

Commencing on the center line of Yandes street at its intersection by the center line of Seventh street, thence south along the center line of Yandes street to the center line of Malott avenue, thence southwest along the center line of Malott avenue to the center line of Christian avenue, thence west along the center line of Christian avenue to the center line of Peru street, thence north along the center line of Peru street to the center line of Seventh street, thence east along the center line of Seventh street to the center line of Yandes street, the place of beginning. shall constitute the seventh precinct.

8th Precinct. Commencing on the center line of Newman street at its intersection by the center line of Brookside avenue, thence southeast and south slong the center line of Newman street to the center line of Chillord avenue, thence west along the center line of Clifford avenue to the center line of the Lake Erie & Western railway tracks, thence north along the center line of said tracks to the center line of Malott avenue, thence northeast along the center line of Malott avenue to the center line of Columbia avenue, thence north along the center line of Columbia avenue to the center line of Hill avenue, thence northeast along the center line of Hill avenue to the center line of Beeler street, thence southeast along the center line of Beeler street to the center line of Pendleton pike, thence northeast along the center line of Pendlston pike to the center line of the first alley east of Beeler street, thence southeast slong the center line of said alley to the center line of Brookside avenue, thence northeast along the center line of Brookside avenue to the center line of Newman street, the place of beginning, shall constitute the eighth precinct.

9th Precinct.

Commencing on the center line of Rural street at its intersection by Pendleton pike, thence south along the center line of Rural street to the center line of Pope avenue, thence west along the center line of Pope avenue to the center line of Keystone avenue, thence south Commencing on the center line of Ash street, along the center line of Keystone avenue to at its intersection by the center line of Christhe center line of Orange avenue, thence west along the center line of Orange avenue to the center line of Stoughton avenue, thence west along the center line of Stough-

ton avenue to the center line of Newman street, thence north and northwest along the center line of Newman street to the center line of Brookside avenue, thence southwest along the center line of Brookside avenue to the center line of the first alley west of Newman street, thence northwest along the center line of said alley to the center line of Pendleton pike, thence northeast along the center of Pendleton pike to the center line of Rural street, the place of beginning, shall constitute the wirth precinct.

10th Precinct.

Commencing on the center line of Rural street at its intersection by the center line of Citford avenue, thence south along the center line of Rural street to the center line of Michigan street, thence west along the center line of Michigan street to the southeast corner of Woodruif Place, thence north along the east line of Woodruff Place to the center line of Clifford avenue, thence east along the center line of Clifford avenue to the center line of Rural street, the place of beginning. shall constitute the tenth precinct.

11th Precinct.

Commencing on the center line of Clifford avenue at its intersection by the west line of Woodruff Flace, thence south along said west line of Woodrull Place to the center line of Michigan street, thence west along the center line of Michigan street to the center line of Hanna street, thence north along the center line of Hanus street to the center line of St. Clair street, thence west along the center line of St. Clair street to the center line of the Lake Erie & Western railway tracks, thence north along the center line of said tracks to the center line of Clifford avenue, thence east along the center line of Clifford avenue to the west line of Woodruff Place, the place of beginning, shall constitute the eleventh precinct.

12th Precinct.

Commencing on the center line of Rural street at its intersection by the center line of Pope avenue, thence west along the center line of Pope avenue to the center line of Keystone avenue, thence south along the center line of Keystone avenue to the center line of Orange avenue, thence west along the center line of Orange avenue to the center line of Stoughton avenue, thence west along the center line of Stoughton avenue to Newman street, thence south along the center line of Newman street to the center line of Clifford avenue, thence east on the center line of Clifford avenue to the center line of Rural street, thence north along the center line of Rural street to the center line of Pope avenue, the place of beginning, shall constitute the twelfth precinct.

13th Precinct.

Commencing on the center line of Lake Erie & Western railway tracks, at their intersection by the center line of Brinkman street, thence south along the center line of said tracks to the center line of Bruce street, thence wast along the center line of Bruce street to the center line of Greenwood avenue, thence south along the center line of Greenwood avenue to the center line of Eleventh street, thence west along the center line of Eleventh street to the center line of Central avenue, thence north along the center line of Central avenue to the center line of Brinkman street, thence east on said street to the center line of the Lake Erie & Western railway tracks, the place of beginning, shall constitute the thirteenth precinct.

14th Precinct.

Commencing at the center line of Greenwood avenue at its intersection by the center line of Eleventh street, thence south along the center line of Greenwood avenue and Peru street to the center line of Seventh street, thence west along the center line of Seventh street to the center line of College avenue, thence north along the center line of College avenue to the center line of Eighth street, thence east along the center line of Eighth street to the center line of Ash street, thence north on the center line of Ash street to the center line of Eleventh street, thence east along the center line of Eleventh street to the center line of Greenwood street, the place of beginning, shall constitute the fourteenth precinet.

15th Precinct.

Commencing at the center line of Ash street, at its intersection by the center line of Eleventh street, thence south along the center line of Ash street to the center line of Ninth street, thence west along the center line of Ninth street to the center line of Central avenue, thence north along the center line of Central avenue to the centerline of Eleventh street, thence east along the center line of Eleventh street to the center line of Ash street, the place of beginning, shail constitute the fifteenth precinct.

16th Precinct.

Commencing on the center line of Ash street at its intersection by the center line of Ninth street, thence south along the center line of Ash street to the center line of Eighth street, thence west along the center line of Eighth street to the center line of College avenue. thence south on the center line of College avenue to the center line of Seventh street, thence west along the center line of Seventh street to the center line of Central avenue. thence north along the center line of Central avenue to the center line of Ninth street, thence east along the center line of Ninth street to the center line of Ash street, the place of beginning, shall constitute the sixteenth precinct.

17th Precinct.

Commencing at the center line of Peru street at its intersection by the center line of Seventh street, thence south along the center line of Peru street to the center line of Home avenue, thence west on the center line of Home avenue to the center line of College avenue, thence north on the center line of College avenue to the center line of Seventh street, thence east on the center line of Seventh street to the center line of Poru street. the place of beginning, shall constitute the seventeenth precinct.

18th Precinct.

Commencing at the center line of College avenue at its intersection by the center line of Seventh street, thence south along the center line of College avenue to the center line of Home avenue, thence west on the center line of Home avenue to the center line of Central avenue, thence north on the center line of Central avenue to the center line of Seventh street, thence east on the center line of Seventh street to the center line of College avenue, the place of beginning, shall constitute the eighteenth precinct,

19th Precinct.

Commencing on the center line of Peru street at its intersection by the center line of Home avenue, thence south along the center line of Peru street to the center line of Christian avenue, thence west along the center line of Christian avenue to the center line of Central avenue, thence north along the center line of Central avenue to the center line of Home avenue, thence east along the center line of Home avenue to the center line of Peru street, the place of beginning, shall constitute the nineteenth precinct.

20th Precinct.

Commencing on the center line of Central avenue, at its intersection by the center line of Exposition avenue, thence south along the center line of Central avenue to the center line of Morrison street, thence west along the center line of Morrison street to the center line of Alabama street, thence north slong the center line of Alabama street to the center line of Exposition avenue, thence east along the center line of Exposition avenue to the center line of Central avenue, the place of beginning, shall constitute the twentieth precinct.

21st Precinct.

Commencing on the center line of the Lake Erie & Western railway tracks, at their intersection by the center line of Christian avenue, thence south along the center line of said tracks to the center line of St. Clair street, thence west along the center line of St. Clair street to the center line of Massa. chusetts avenue, thence northeast along the center line of Massachusetts avenue to the center line of Ash street, thence north, along the center line of Ash street to the center line of Christian avenue, thence east along the center line of Christian avenue to the center line of the Lake Erie & Western railway tracks, the place of beginning, shall constitute the twenty-first precinct.

22d Precinct.

tian avenue, thence south a ong the center line of Ash street to the center line of Massachuset's avenue, thence southwest along the center line of Massachusetts avenue to the

center line of St. Clair street, thence west along the center line of St. Clair street to the center line of Broadway, thence north along the center line of Broadway to the center line of Christian avenue, thence east along the center line of Christian avenue to the center line of Ash street, the place of beginning, shall constitute the twenty-second

23d Precinct.

Commencing on the center line of Broadway at its intersection by the center line of Christian avenue, thence south along the center line of Broadway to the center line of St. Clair street, thence west along the center line of St. Clair street to the center line of East street, thence north along the center line of East street to the center line of Cherry street, thence west along the center line of Cherry street to the center line of Fort Wayne avenue, thence northeast along the center line of Fort Wayne avenue to the center line of Central avenue, thence north along the center line of Central avenue to the center line of Christian avenue, thence east along the central line of Christian avenue to the center line of Broadway, the place of beginning, shall constitute the twenty-third precinct.

24th Precinct. Commencing on the center line of Central aveaue at its intersection by the center line of Morrison street, thence south along the center line of Central avenue to the center line of Fort Wayne avenue, thence southwest along the center line of Fort Wayne avenue to the center line of Cherry street, thence east along the center line of Cherry street to the center line of East street, thence south along the center line of East street to the center line of St. Clair street, thence west along the center line of St. Clair street to the center line of Alabams street, thence north along the center line of Alabama street to the center line of Morrison street, thence east along the center line of Morrison street to the center line of Central avenue, the place of beginning, shall constitute the twenty-fourth precinct.

25th Precinct.

Commencing on the center line of Central avenue at its intersection by the center line of Seventeenth street, thence south along the center line of Central avenue to the center line of Exposition avenue, thence west along the center line of Exposition avenue to the center line of the first alley west of Pennsylvania street, thence north along the center line of said alley to the center line of the first alley north of Tenth street, thence west along the center line of said alley to the center line of Meridian street, thence north along the center line of Meridian street to the center line of Seventeenh street, thence east along the center line of Seventeenth street to the center line of Central avenue, the place of beginning, shall constitute the twenty-fifth precinct.

26th Precinct.

Commencing on the Center line of Alabama street at its intersection by the center line of Exposition avenue, thence south along the central line of Alabama street to the center line of Seventh street, thence west along the center line of Seventh street to the center line of Meridian street, thence north along the center line of Meridian street to the center line of the first alley north of Tenth street, thence east along the center line of eard alley to the center line of the first alley west of Pennsylvania street, thence south along the center line of said alley to the center line of Exposition avenue, thence east along the center line of Exposition avenue to the center line of Alabama street, the place of beginning, shall constitute the twenty-sixth precinct.

27th Precinct.

Commencing on the center line of Alabama street at its intersection by the center line of Seventh street, thence south along the center line of Alabama street to the center line of Morrison street, thence west along the center line of Morrison street to the center line of Delaware street, thence north along the center line of Delaware street to the center line of Second street, thence west along the center line of Second street to the center line of Meridian street, thence north slong the center line of Meridian street to the center line of Seventh street, thence east along the center line of Seventh street to the center line of Alabama street, the place of beginning, shall constitute the twenty-seventh precinct.

28th Precinct.

Commencing at the center line of Meridian street at its intersection by the center line of Twenty-sixth street, thence south along the center line of Meridian street to the south bank of Fail creek, thence west with the meanderings of the south bank of Fall creek to the center line of the first alley west of Mississippi street, thence north along the center line of said alley to the center line of Twenty-second street, thence north along the center line of Mississippi street to the center line of Twenty-sixth street, thence east along the center line of Twenty-sixth street to the center line of Meridian street, the place of beginning, shall constitute the twenty-eighth precinct.

29th Precinct.

Commencing on the center line of Meridian street at its intersection by the south bank of Fall creek, thence south along the center line of Meridian street to the center line of Eleventh street, thence west along the center line of Eleventh street and Herbert street to the center line of the first alley west of Mississippi street, thence north along the center line of said alley to Twelfth street, thence west along the center line of Twelfth street to the Michigan road, thence north along the center line of Michigan road to the south bank of Fall creek, thence east and north along the south bank of Fail creek to the center line of Meridian street, the place of beginning, shall constitute the twenty-ninth

30th Precinct.

Commencing on the center line of Meridian street at its intersection by the center line of Eleventh street, thence south along the center line of Meridian street to the center line of Seventh street, thence west along the center line of Leventh street to the center line of Mississippi street, thence north along the center line of Mississippi street to the center line of Ninth street, thence west along the center line of Ninth street to the center line of the first alley west of Mississippi street. thence north along the center line of said alley to the center line of Herbert street, thence east on the center line of Herbert street and Eleventh street to Meridian street, the place of beginning, shall constitute the thirtieth precinct.

31st Precinct.

Commencing on the center line of Meridian street at its intersection by the center line of Seventh street, thence south along the center line of Meridian street to the center line of Fifth street, thence west along the centerline of Fifth street to the center line of Mississipp street, thence north along the center line of Mississippl street to the center line of Seventh street, thence east along the center line of Seventh street to the center line of Meridian street, the place of beginning, shall constitute the thirty-first precinct.

32d Precinct. Commencing on the center line of Meridian street at its intersection by the center line of Fifth street, thence south along the center line of Meridian street to the center line of Second street, thence west along the center line of Second street to the center line of Mississippi street, thence north along the center line of Mississippi street to the center line of fifth street, thence east along the center line of Fifth street to the center line of Meridian street, the place of beginning. shall constitute the thirty-second precinct.

33d Precinct.

Commencing on the center line of the first alley west of Mississippi street at its intersection by the center line of Twelfth street. thence south along the center line of said alley to the center line of Ninth street, thence east along the center line of Ninth street to the center line of Mississippi street, thence south along the center line of Mississippi street to the center line of Fifth street, thence west along the center line of Fifth street to the center line of the canal, thence north along the center line of the canal and the Michigan road to the center line of Twelfth street, thence east along the center line of Twelfth street to the center line of the first alley west of Mississippi street, the place of beginning, shall constitute the thirty-third precinct.

34th Precinct.

Commencing on the center line of Mississippi street at its intersection by the center line of

Fifth street, thence south along the center line of Mississippi street to the center line of Second street, thence west along the center line of Second street to the center line of the canal, thence north along the center line of the canal to the center line of Fifth street, thence east along the center line of Fifth street to the center line of Mississippi street, the place of beginning, shall constitute the thirty-fourth precinct.

35th Precinct. Commencing on the center line of the canal at its intersection by the corporation line, thence south along the center line of the canal to the center line of Second street, thence west along the center line of Second street and the center line of Huntington street to the east bank of Fall creek, thence north and east with the corporation line to the center line of the canal, the place of beginning, shall constitute the thirty-fifth precinct.

36th Precinct.

Commencing on the center line of the canal at its intersection by the center line of Second street, thence south slong the center line of the canal to First street, thence west along the center line of First street to the center line of Indiana avenue, thence north-west along the center line of Indiana avenue to the east bank of Fall creek, thence north with and along the meanderings of the east bank of Fall creek to the center line of Huntington street, thence east along the center line of Huntington street and Second street to the center line of the canal, the place of beginning, shall constitute the thirty-sixth precinct.

37th Precinct.

Commencing on the center line of the canal at its intersection by the center line of First street, thence south along the center line of the canal to the center line of St. Clair street, thence west along the center line of St. Clair street to the center line of California street, thence north along the center line of California street to the center line of First street, thence east along the center line of First street to the center line of the canal the place of beginning, shall constitute the thirty-seventh precinct.

38th Precinct.

Commencing on the center line of California street at its intersection by the center line of First street, thence south along the center line of California street to the center line of St. Clair street, thence west along the center line of St. Clair street to the center line of Indiana avenue, thence northwest along the center line of Indiana avenue to the center line of First street thence east along the center line of First street to the center line of California street, the place of beginning, shall constitute the thirty-eighth precinct.

39th Precinct.

Commencing on the center line of West street at its intersection by the center line of St. Clair street, thence south along the center line of West street to the center line of North street, thence west along the center line of North street to the center line of Ellen street, thence north along the center line of Ellen street to the center line of Indiana avenue, thence northwest along the center line of Indiana avenue to the center line of St. Clair street, thence east along the center line of St. Clair street to the center line of West street, the place of beginning, shall constitute the thirty-ninth precinat.

40th Precinct.

Commencing on the center line of the canal at its intersection by the center line of St. Clair street, thence south along the center line of the canal to the center line of Vermont street, thence west along the center line of Vermont street to the center line of West street, thence north along the center line of West street to the center line of St. Clair street, thence east along the center line of St. Clair street to the center line of the canal, the place of beginning, shall constitute the fortieth precinct.

41st Precinct. Commencing on the center line of West street at its intersection by the center line of North street, thence south along the center line of West street to the center line of Vermont street, thence west along the center line of Vermont street to the center line of Blackford street, thence north along the center line of Blackford street to the center line of Michigan street, thence west along the center line of Michigan street to the center line of Douglass street, thence north along the center line of Douglass street to the center line of North street, thence east along the center ine of North street to the center line of West street, the place of beginning, shall constitute the forty-first precinct.

42d Precinct. Commencing on the center line of Ellen street at its intersection by the center line of Indiana avenue, thence south along the center line of Ellen street to the center line of North street, thence west along the center line of North street to the center line of Blake street, thence north along the center line of Blake street to the center line of Indiana avenue, thence southeast along the center line of Indiana avenue to the center line of El en street, the place of beginning, shall constitute the forty-second precinct.

43d Precinct. Commencing on the center line of Blake street at its intersection by the center line of Elizabeth street, thence south along the center line of Blake street to the center line of North street, thence east along the center line of North street to the center line of Douglass street, thence south along the center line of Douglass street to the center line of Michigan street, thence west along the center line of Michigan street to the center line of Patterson street, thence north along the center line of Patterson street to the center line of Elizabeth street, thence east along the center line of Elizabeth street to the center line of Blake street, the place of beginning, shall constitute the forty-third precinct.

44th Precinct. Commencing on the center line of Blake street at its intersection by the center line of Indians avenue, thence south along the center line of Blake street to the center line of Elizabeth street, thence west along the center line of Elizabeth street to the center line of Maxwell street, thence north along the center line of Maxwell street to the center line of Davis street, thence northeast along the center line of Davis street to the center line of Indiana avenue, thence southeast along the center line of Indiana avenue to the center line of Blake street, the place of beginning, shall constitute the forty-fourth pre-

45th Precinct. Commencing on the center line of Davis street at its intersection by the center line of Indians avenue, thence southwest along the center line of Davis street to the center line of Maxwell street, thence south along the center line of Maxwell street to the center line of Elizabeth street, thence east along the center line of Elizabeth street to the center line of Patterson street, thence south along the center line of Patterson street to the center line of Michigan street, thence west along the center line of Michigan street to the west corporation line, thence north and east along said corporation line to the center line of Indiana avenue, thence southeast along the center line of Indiana avenue to the center line of Davis street, the place of beginning. shall constitute the forty-fifth precinct

46th Precinct.

Commencing on the center line of the canal and Missouri street at their intersection by the center line of Vermont street, thence south along the center line of the canal and Missouri street to the center line of Market street, thence west along the center line of Market street to the center line of West street, thence north along the center line of West street to the center line of Vermont street, thence east along the center line of Vermont street to the center line of the canal and Missouri street, the place of beginning. shall constitute the forty-sixth precinct.

47th Precinct. Commencing on the center line of West street at its intersection by the center line of Vermont street, thence south along the center line of West street to the center line of Washington street, thence west along the center line of Washington street to a point where it is intersected by the center line of the National road, thence west along the center line of the National road to the center line of Blackford street, thence north along the center line of B'ackford street to the center line of Vermont street, thence east along the center line of Vermont street to the center line of West street, the place of beginning, shall constitute the forty-seventh pre-

48th Precinct.

Commencing on the center line of Blackford street at its intersection by the center line of Michigan street, thence south along the center line of Blackford street to the center line of the National road, thence east along the center line of the National road to the center line of Washington street, thence west along the center line of Washington street to the center line of Geisendord street, thence north along the center line of Geisendorif street to the center line of the second alley south of New York street, thence west along the center line of said alley to the center line of Douglass street, thence north along the center line of Douglass street to the center line of Michigan street, thence east along the center line of Michigan street to the center line of Blackford street, the place of beginning, shall constitute the forty-eighth pre-

49th Precinct.

Commencing on the center line of Douglass street at its intersection by the center line of Michigan street, thence south along the center line of Douglass street to the center line of second alley south of New York street, thence east along the center line of said alley to the center line of Geisendorff street thence south along the center line of Geisendorf street to the center line of Washington street, thence west along the center line of Washington street to the east bank of White river, thence north along the east bank of White river to the center line of the National road, thence east along the center line of the National road to the center line of Blake street, thence north along the center line of Blake street to the center line of New York street, thence west along the center line of New York street to the center line of Minerva street, thence north along the center line of Minerva street to the center line of Michigan street, thence east along the center line of Michigan street to the center line of Douglass street, the place of beginning, shall constitute the forty-ninth precinct.

50th Precinct. Commencing on the center line of Minerva street at its intersection by the center line of Michigan street, thence south to the center line of Minerva street to the center line of New York street, thence east along the cen ter line of New York street to the center line of Blake street, thence south along the center line of Blake street to the center lin of the National road, thence west along the center line of the National road and in a direct line to the center line of White river, thence north along and with the meanderings of the center line of White river to the north corporation line, thence east along said north corporation line to the east bank of White river, thence north with the corporation line to the center line of Michigan street, thence east along the center line of Michigan street to the center line of Minerva street, the place of beginning, shall constitute the fittieth pre-

51st Precinct. Commencing on the center line of White river at its intersection by the center line of Mich igan street and the corporation line, thence south along and with the meanderings of the center line of White river to a point where it would be intersected by the center line of Bloomington street extended in a direct line north, thence south in a direct line and along the center line of illoomington street to the center line of Washington street, thence west along the center line of Washington street to the center line of the tracks known as the Peoria division of the Cleveland, Cincinnati, Chicago & St. Louis Railway Company, thence northwest along the center line of said tracks to the center line of Belmout avenue, thence north along the center line of Belmont avenue to the center line of Michigan street, thence east along the center line of Michigan street and in a direct line to the center line of White river, the place of beginning, shall constitute the fifty-first pre-

52d Precinct. Commencing on the center line of Washington street at its intersection by the tracks known as the Peoria division of the Cleveland, Cincinnati, Chicago & St. Louis Railway Company, thence west along the center line of Washington street to the center line of Harding street, thence south along the center line of Harding street to the corporation line, thence west along said corporation line to the center line of Belmont avenue thence north along the center line of Belmont avenue to the tracks known as the Pecria division of the Cleveland, Cincinnati Chicago & St. Louis Railway Company, thence southeast along the center line of said tracks to the center line of Washington street, the place of beginning, shall constitute the fifty-second precinct.

53d Precinct.

Commencing on the center line of White river where it would be intersected by the center line of Bloomington street extended in a direct line north, thence southeastalong and with the meanderings of the center line of White river to the corporation line, thence west along said corporation line to the center line of Harding street, thence north along the center line of Harding street to the center line of Washington street, thence east along the center line of Washington street to the center line of Bloomington street, thence north along the center line of Bloomington street in a direct line to the center line of White river, the place of beginning, shall constitute the fifty-third pre-

54th Precinct.

Commencing at the center line of West street at its intersection by the center line of Washington street, thence south along the center line of West street to the center line of Maryland street, thence west along the center line of Maryland street to the center line of White river, thence north along and with the meanderings of the center line of White river to the center line of Washington street. thence east along the center line of Washington street to the center line of West street. the place of beginning, shall constitute the fitty-fourth precinct.

55th Precinct. Commencing at the intersection of the center line of Missouri street by the center line of Market street, thence south along the center line of Missouri street to the center line of Maryland street, thence west along the center line of Maryland street to the center line of West street, thence north along the center line of West street to the center line of Market street, thence east along the center line of Market street to the center line of Missouri street, the place of beginning, shall constitute the fifty-fifth precinct.

56th Precinct. Commencing on the center line of Alabama street, at its intersection by the center line of Morrison street, thence south along the center line of Alabama street to the center line of St. Clair street, thence west along the center line of St. Clair street to the center line of Pennsylvania street, thence north along the center line of Pennsylvania street to the center line of Second street, thence east along the center line of Second street to the center line of Delaware street, thence south along the center line of Delaware street to the center line of Morrison street. thence east along the center line of Morrison street to the center line of Alabama street. the place of beginning, shall constitute the fifty-sixth precinct.

57th Precinct. Commencing at the intersection of the center line of Pennsylvania street with the center line of Second street, thence south with the center line of Pennsylvania street to the center line of St. Joseph street, thence west along the center line of St. Joseph street to the center line of Illinois street, thence south on the center line of Illinois street to the center line of Pratt street, thence west on the center line of Pratt street to the center line of Tennessee street, thence north along the center line of Tennessee street to the center line of Second street, thence east along the center line of Second street to the center line of Pennsylvania street, the place of beginning, shall constitute the fifty-seventh

58th Precinct.

Commencing at the intersection of the center line of Pennsylvania street with the center line of St. Joseph street, thence south with the center line of Pennsylvania street to the center line of St. Clair street, thence west on the center line of at. Clair street to the center line of Tennessee street, thence north along the center line of Tennessee street to the center line of Pratt street, thence east on the center line of Pratt street to the center line of Illinois street, thence north along the center line of Illinois street to the center line of St. Joseph street, thence east on the center line of St. Joseph street to the center line of Pannsylvania street, the place of beginning, shall constitute the fifty-eighth pre-

59th Precinct.
